### **About the USDF Region Four Youth Team Competition**

The USDF Region Four Youth Team Competition is a unique show for JR/Young Riders, featuring team competition in dressage, educational programs, team medals and a mounted awards ceremony. The United States Dressage Federation (USDF) is sponsoring a Competition in each region so youth riders everywhere can join the fun! There are *no prerequisites or qualifying scores required* to enter the championships.

**Team formation:** Teams will be organized as scramble teams. Team members can be riding at different levels. Team entrees may be organized according to dressage organizations, farms, barns, instructors, Pony Clubs, 4-H Club, any youth riding clubs, or just groups of individuals. Any individual rider needing team members is encouraged to send in his or her entry and a mixed team will be formed. **See, everyone can attend!!**

**Competitor's picnic:** All competitors are required to be present at the picnic and pre-competition meeting on Thursday at 6pm on the show grounds. Picnic is free to all riders. Others may purchase a ticket for \$5 on entry form. The competition procedures will be reviewed.

#### **Awards**

**USDF Shining Star** pins will be awarded to five competitors. The USDF Shining Star Award recognizes outstanding sportsmanship amongst individual USDF Youth Members.

**Team Spirit Award:** All riders are encouraged to support their fellow teammates by helping each other braid, tack up, get dusted off, watch each other's rides, and applaud each other's efforts! In addition, keeping tack rooms in order and horses well cared for are all part of the team player's duty. A special award will be awarded to the team who best displays team spirit.

**Awards:** USDF Team medallions on neck ribbons will be awarded to each team member for first through sixth places in each division. Divisions with more than six teams will be split. Individual High Score Champion and Reserve in each division will be awarded rosettes. In addition, special awards will be awarded by individual sponsors for performance in the show.

**Award ceremony:** Riders are expected to be dressed in riding clothes and mounted for the awards ceremony held Friday after the final class. Procedures will be reviewed on Thursday evening.

#### **Rules For The Championships:**

**All** riders will be expected to donate some time helping at the show. All riders will be assigned a job lasting between 1-2 hours over the weekend. If only competing on Friday, these riders will be assigned first. Show management will assign the jobs - jobs can be transferred to family members or friends.

**All** classes are open to riders who are 21 and under competing on either horses or ponies.

**Current** USEF, FEI, and USDF tests will be used.

**On** the day of the competition, while on the grounds, including the stabling area, the horse or pony may only be ridden by the JR/young rider that will be competing it.

**Tests** may be read.

**Training - Fourth Level dress:** Please see current USEF rules.

**Braiding is optional.**

#### **Team Formation and Scoring Rules**

**Team names:** Have fun with this! Here are some examples: The Grand Prix Wanabees, The Mountsters, Stonington Stormtroopers, Barretts Brats, The Temple Terrors, etc.

**Teams** will be organized as scrambled teams consisting of no fewer than three riders and no more than five riders. Team riders may compete at any level. Single team members are also allowed to ride at different levels. (For example, Susie Cue on Blackie may enter Training Level, Test 4 and First Level, Test 1 and both scores will be used in the calculation of the team score.) The lowest single score of the team will be dropped. The remaining scores will be handicapped according to the scale below, then averaged to obtain a team score. The team scores will be used to place the teams within the divisions.

**Divisions** will be selected randomly. Divisions will consist of no more than 6 teams.

**Drop Score:** If a one horse on a team receives a score of "0" (i.e. eliminated due to lameness, jumped out of the ring, or withdrawn) then that score will automatically become the drop score. If a second horse on the same team receives a score of "0," that score will be handicapped and used in the calculation of the team score. Teams must have at least three and no more than five competitive horses in order to be considered part of the team competition.

If a horse is scratched from the competition prior to the start of the competition day, the team may find a replacement team member (another rider entered in the show who agrees to join the team and is not already on a team) or reduce the number of riders on their team. If that team has either four or five riders, then the team score will be calculated with the remaining three or four riders. If the team originally had only three members and one of those horses scratches, the team may opt to eliminate themselves from the team competition (since they now only have 2 competitive horses) or join other teams. Teams may not be restructured after the start of the competition day. Riders may not compete on two different teams with the same horse.

If a horse is forced to be scratched during the competition day (i.e. rides one test, becomes lame and is unable to compete in the second test of the day) then that horse will receive a "0" for all subsequent tests and one of those tests will automatically become the drop score. If this happens to more than one horse on a team, then the second horse will receive a "0" that will be calculated in to the overall team score.

Horses in the FEI classes may be entered in only one test to be considered part of the team.

Riders are encouraged to enter using teams of at least four riders so that in the event of a scratched horse prior to the start of the competition does not force the remainder of the team to be eliminated. For riders who do not have a team and want to enter this show, you are encouraged to do so and you will be placed on a "manager's special" team with other riders in your situation.

Riders on eliminated teams may still be eligible for high point awards. High point awards will be awarded for the high score (Champion) and second highest score (Reserve Champion) at the following levels: Introductory, Training, First, Second, Third, Fourth, and FEI (including PSG, I-1, I-2, GP and all JR and Young Rider tests.)

Riders and horses may only be a member of a single team once. Riders may participate on a different horse on a different team, but one rider may not ride more than one horse on a team. Likewise, a horse may participate on with a different rider on a different team, but may not participate with two riders on the same team.

Total percentages from each team member will be added together and averaged. Percentages will be added as a "handicap system" for figuring team placing. Riders will receive the following "additional percentages" added to their test for the calculations of team placing only: Intro/Training - 0%, First - 1%, Second - 2%, Third - 3%, Fourth - 4%, JR - 4%, Young Rider and FEI - 5%. Equitation/Freestyles does not count in team scores calculations.

# 2012 Great American Insurance Group/USDF Breeders' Championship Series

*The USEF Rulebook Chapter Dressage, Subchapter DR-2, contains the Dressage Sport Horse Breeding (DSHB) class rules. The rulebook is available on line at [www.usef.org](http://www.usef.org). All recent rule changes in the on-line rulebook are noted in RED.*

## A. Applying For and Scheduling Qualifier and Final Events

1. The USDFBC series is scheduled on a calendar year basis (January 1-December 31).
2. A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the series final, are qualifying events.
3. The final event of each series is often the last USEF-licensed/USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States as of October 1 of the year prior to the series final year. However, a series final must also be held in conjunction with a USDFBC qualifying event. Host sites of series finals will be designated on or about November 1 of the year prior to the series final year.
4. The official USDFBC host site application form for qualifiers and series finals will be available from the USDF office by June 15, prior to the start of the next competition year. USEF- licensed/USDF-recognized dressage competitions interested in hosting a final for a series must submit a completed USDFBC event application form and contract to the USDF office by October 1 of the year prior to the series final to request consideration for hosting the series final.
5. The series final must meet the minimum requirements for a series final: 1) minimum USEF Level 2 competition 2) Show manager and secretary must both be members of USEF at the time of championships and Show manager must be a USDF Participating (PM) or Group (GP) member at the time of the championships 3) all other requirements as stated in the USDFBC Finals Host Site Application.
6. All applications for a series final will be considered on a 'case by case' basis.
7. A series final will be considered "definite" when at least three qualifying events have registered with USDF to participate in the series for the year. If it meets the minimum requirements, a series final will be considered "tentative" until at least three events have registered for the series.
8. In case two or more qualified events in the same series wish to host the series final, the regional director(s) of the region(s) with qualifying events in the series, along with a Working Group appointed by the Sport Horse Committee, will select the host site of the series final, after consultation with the chair of the USDF Sport Horse Committee and the USDF Sport Horse Committee liaison. Priority for the final will be given to (1) the date of event, which must be after all qualifying events are normally scheduled, and ideally, between August 1 and October 1 of the series final year, (2) the most prestigious DSHB show, or USDF Regional Dressage Championships in the geographical area, (3) location and accessibility to competitors, (4) experience of the competition management with DSHB competitions and (5) history of rule compliance with USEF and USDF.
9. All USEF-licensed/USDF-recognized dressage competitions with DSHB classes scheduled prior to the series final in the same calendar year and geographical area are eligible to participate in their USDFBC series final. Dressage competitions with DSHB classes scheduled after the series final in their area are not eligible to participate in the USDFBC program, and will not be qualifying events or the next year's series final.
10. Only one USDFBC series, or part of a series, may be held in any particular geographical area in the same calendar year. The boundaries of a "geographical area" will be determined by USDF (in consultation with regional directors and the chair of the USDF Sport Horse

Committee), will include cluster(s) of DSHB shows, and may combine regions or cross regional boundaries. However, a maximum of two USDFBC series will be scheduled in the same USDF region in the same calendar year.

11. If a USDFBC series does not have at least three qualifying events recognized by USDF by June 1 of the series final year, the final will not be held.

## B. Advertising and Promotion

1. In order to receive full promotional benefits from USDF, qualifying and final events must be approved at least six months prior to the competition.
2. Qualifiers and final events must be approved by USDF each year before advertising that they are participating as qualifying or final events in the USDFBC program.

## C. Prizes

1. Prizes will be awarded during the finals competition award ceremonies.
2. Prizes and/or other awards may be withheld by USDF to series winners if the following information is not provided to USDF or show management by required deadlines: name of owner; name, age and sex of horse; and if known, the breed of horse, sire, dam, dam sire, and breeder.

## D. Rules Regarding Contracts and Recognition

1. Qualifying and final events must be USEF-licensed/USDF-recognized Dressage competitions and all classes must be conducted under USEF rules.
2. USDFBC event application, contract and rules for the upcoming competition year will be available to show managers by July 1 of the year prior to each USDFBC competition year.
3. Rule changes and requirements will be fully approved and publicized by July 1 of the year prior to each USDFBC competition year.
4. Changes of rules, requirements, or contract obligations for competition management (and/or competitors, if applicable) are not permitted after August 1 of the year prior to the start of the USDFBC competition year, except when changed by the USEF and/or USDF Executive Board.
5. USDFBC rules and procedures must be listed in the official prize list for the event, and must be available sufficiently in advance to all potential competitors, or the event may be in violation of USEF rules.
6. For qualifying events whose dates fall after the closing date for their series final event, the results must be emailed or faxed to USDF within 24 hours of completion of the qualifying event. USDF will verify those horses who have qualified with the series final event secretary.

## E. Horse Registration and Membership Requirements

1. All horses entered in any USDF Breeders' Championship Series qualifying class must have either a USDF Life Registration (LHR) or USDF Horse Identification Number (HID), and submit identification information. A copy of breed registry papers (if available) must be submitted directly to USDF. Any horse participating in the series final classes must have a LHR with USDF. The HID fee will apply toward the LHR fee.
2. Owner is not required to be a USDF member for qualifying events; however, owner must have a current USDF Participating Membership (PM) or Business Membership (BM) to compete at the series final class.
3. No USDF membership is required for the Handler.
4. Horses participating in USDFBC qualifying or final events are not required to be registered with any studbook, but "if a horse is registered with any breed organization, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the information is strongly recommended, if available." (GR 907.1)
5. It is strongly recommended that horses not registered with a breed registry be listed as "unregistered".

6. It is the responsibility of the horse owner to ensure that their USDF membership and USDF horse registration are correct and current

**F. Requirements for USDFBC Series Qualifying Events**

1. Classes must be offered and judged according to USEF DR 209.
2. All divisions must offer Sport Horse Prospect In-Hand and Breeding Stock In-Hand classes.
3. A separate championship class must be held for all divisions even those that have only one class or one horse in the division. For example if there is only one class of mares, the top two mares from that class would then be shown in the championship class. If there is only one stallion in the one stallion class that stallion would then show again in the championship class.

4. Each qualifying event must offer a current year filly class, a separate current year colt/gelding class and a Current Year Foal Championship class. This Current Year Foal Championship class is a USDFBC series qualifying class. This class must be held and judged (i.e. re-evaluated at the walk and the trot) in accordance with USEF DR210.5.

The current year foal championship class, at qualifying events, must be open to first and second place winners of Sport Horse Prospect In Hand classes for all foals of current calendar year, as listed below. First and second place (and third if desired) fillies and colts/geldings of current year will compete against each other in the same class. (Organizers have the option of including third placed winners in championship classes) No scores are given. Ties are not allowed.

**Current Year Foal Championship:**

The filly and colt/gelding championship classes must be open to first and second placed winners of Sport Horse Prospect In Hand classes for all horses, as listed below. 6. Each qualifying event must offer a Mare Championship class and a Stallion Championship class. These championship classes are USDFBC series qualifying classes. These classes must be held and judged (i.e. re-evaluated at the walk and the trot) in accordance with USEF DR210.5. Mare and Stallion Championship classes must be open to first and second placed winners of Breeding Stock In Hand classes for horses age four years old and over, as listed below. (Organizers have the option of including third placed Mare championship):

**Mare Championship:**

Mare classes may be divided by age, competition and/or breeding status, as in the following example:

For details on determining breeding status for competition purposes, please refer to USEF Rule 203.16.

**Stallion Championship:**

Stallion classes may be divided by age, competition and/or breeding status, as in the following example:

- Four-year old and older stallions showing only in hand
- Four-year old and older stallions showing also under saddle

The champion and reserve champion mare and the champion and reserve champion stallion are eligible to compete in their respective USDFBC series final class. A third place horse in each championship class must be named as well.

7. Age/sex eligibility is determined as follows:
  - a. Fillies, colts and geldings three years of age or under may show ONLY as sport horse prospects, not in breeding stock classes/categories.
  - b. Mares and stallions age four and over, may show ONLY in breeding stock classes/categories. Note: Two and three-year olds are ONLY eligible to compete in the filly or colt championships. They are NOT eligible for the mare or stallion championships.
  - c. Geldings of any age may NOT show in breeding stock classes/categories. Geldings age three and under may show ONLY in sport horse classes/categories.
8. Score sheets: Age group classes must be judged using the appropriate scoring categories and percentages. Sport horses MUST be evaluated on the (yellow) USDF Dressage Sport Horse Prospect In Hand score sheets and breeding stock MUST be evaluated on the (pink) USDF Dressage Sport Horse Breeding Stock score sheets.
9. Horses in all USDFBC Series qualifying classes must be evaluated according to USEF DR210.5.7. Each horse competing at a USDF Breeder Series Qualifying Show will have only ONE opportunity to qualify for the championship class appropriate to their age/sex category.
10. During the same or separate awards ceremonies, the current year foal champion and reserve, the filly champion and reserve, the colt/gelding champion and reserve, the mare champion and reserve, and the stallion champion and reserve, must be named USDFBC series qualifying champions and reserve champions for the show. A third place horse in each championship class must be named as well. NO ties allowed. Announcements must identify sponsors and horses' breeding information.
11. Each of the ten qualifying horses must be presented with a qualifier ribbon. These ribbons will be supplied to the show by USDF. Only the champion and reserve champion will receive the qualifier ribbons, even if they have previously qualified. The third place horse in the qualifier championship class will not receive a qualifier ribbon. The qualifier ribbons for champion and reserve champion are identical.
12. All champions and reserve champions will be eligible to compete in the finals. In the event that a champion and/or reserve have already qualified for the final, the third-placed horse from the pertinent qualifying class will be eligible to compete in the final. Competition management is required to have judges place qualifying classes to three places, with no ties. In addition, any other horse receiving a 77% or better in its age/sex class will be qualified and eligible to compete in the final.
13. A list of qualified horses is maintained, by series, on the USDF website.
14. Horses must qualify in the series in which they enter the final. Exception: Horses that have qualified for a series final which is either not scheduled or is cancelled may participate in the final of any other USDFBC series in the same calendar year, without having to re-qualify for that series final. Owners of horses that have qualified for a final which is not held, may enter another series final, but must indicate which series they qualified at on their entry form.
15. Horses may compete in qualifying events in any series, but if qualified for more than one series final, they may participate in only one final class.

16. If there is a change of ownership of the horse, the new owner(s) may choose to participate in the series final where they reside, regardless of where the horse qualified, provided that the new owner contacts the USDF office and initiates the change at least 30 days prior to the new Series Final date.

### ***USDF Statement on Animal Welfare***

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Competitor & Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership, Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF NM fee. (Note: USDF business members can own horses but cannot compete as riders with their USDF BM.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, Pas de Deux, Quadrille, FEI ParaEquestrian classes, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
