2013 Great American Insurance Group/USDF Breeders' Championship Series

The USEF Rule Book Chapter Dressage, Subchapter DR-2, contains the Dressage Sport Horse Breeding (DSHB) class rules. The rule book is available on line at www.usef.org. All recent rule changes in the online rule book are noted in color.

A. Applying For and Scheduling Qualifier and Final Events

1. The USDFBC series is scheduled on a calendar year basis (January 1-December 31).
2. A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the series final, are qualifying events.
3. The final event of each series is often the last USEF-licensed/USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States as of October 1 of the year prior to the series final year. However, a series final must also be held in conjunction with a USDFBC qualifying event. Host sites of series finals will be designated on or about November 1 of the year prior to the series final year.
4. The official USDFBC host site application form for qualifiers and series finals will be available from the USDF office by June 15, prior to the start of the next competition year. USEF-licensed/USDF-recognized dressage competitions interested in hosting a final for a series must submit a completed USDFBC event application form and contract to the USDF office by October 1 of the year prior to the series final to request consideration for hosting the series final.
5. The series final must meet the minimum requirements for a series final: 1) minimum USEF Level 2 competition 2) Show manager and secretary must both be members of USEF at the time of championships and Show manager must be a USDF Participating (PM) or Group (GP) member at the time of the championships 3) all other requirements as stated in the USDFBC Finals Host Site Application.
6. It is recommended that a series final be held in conjunction with a USEF-licensed/USDF-recognized competition unless it has a proven stand alone history.
7. All applications for a series final will be considered on a 'case by case' basis.
8. A series final will be considered "definite" when at least three qualifying events have registered with USDF to participate in the series for the year. If it meets the minimum requirements, a series final will be considered "tentative" until at least three events have registered for the series.
9. In case two or more qualified events in the same series wish to host the series final, the regional director(s) of the region(s) with qualifying events in the series, along with a Working Group appointed by the Sport Horse Committee, will select the host site of the series final, after consultation with the chair of the USDF Sport Horse Committee and the USDF Sport Horse Committee liaison. Priority for the final will be given to (1) the date of event, which must be after all qualifying events are normally scheduled, and ideally, between August 1 and October 1 of the series final year, (2) the most prestigious DSHB show, or USDF Regional Dressage Championships in the geographical area, (3) location and accessibility to competitors, (4) experience of the competition management with DSHB competitions and (5) history of rule compliance with USEF and USDF.
10. All USEF-licensed/USDF-recognized dressage competitions with DSHB classes scheduled prior to the series final in the same calendar year and geographical area are eligible to participate in their USDFBC series final. Dressage competitions with DSHB classes scheduled after the series final in their area are not eligible to participate in the USDFBC program, and will not be qualifying events or the next year's series final.
11. Only one USDFBC series, or part of a series, may be held in any particular geographical area in the same calendar year. The boundaries of a "geographical area" will be determined by USDF (in consultation with regional directors and the chair of the USDF Sport Horse Committee), will include cluster(s) of DSHB shows, and may combine regions or cross regional boundaries. However, a maximum of two

USDFBC series will be scheduled in the same USDF region in the same calendar year.

12. If a USDFBC series does not have at least three qualifying events recognized by USDF by June 1 of the series final year, the final will not be held.

B. Advertising and Promotion

1. In order to receive full promotional benefits from USDF, qualifying and final events must be approved at least six months prior to the competition.
2. Qualifiers and final events must be approved by USDF each year before advertising that they are participating as qualifying or final events in the USDFBC program.

C. Prizes

1. Prizes will be awarded during the finals competition award ceremonies.
2. Prizes and/or other awards may be withheld by USDF to series winners if the following information is not provided to USDF or show management by required deadlines: name of owner; name, age and sex of horse; and if known, the breed of horse, sire, dam, dam sire, and breeder.

D. Rules Regarding Contracts and Recognition

1. Qualifying and final events must be USEF-licensed/USDF-recognized Dressage competitions and all classes must be conducted under USEF rules.
2. USDFBC event application, contract and rules for the upcoming competition year will be available to show managers by July 1 of the year prior to each USDFBC competition year.
3. Rule changes and requirements will be fully approved and publicized by July 1 of the year prior to each USDFBC competition year.
4. Changes of rules, requirements, or contract obligations for competition management (and/or competitors, if applicable) are not permitted after August 1 of the year prior to the start of the USDFBC competition year, except when changed by the USEF and/or USDF Executive Board.
5. USDFBC rules and procedures must be listed in the official prize list for the event, and must be available sufficiently in advance to all potential competitors, or the event may be in violation of USEF rules.

The champion and reserve champion mare and the champion and reserve champion stallion are eligible to compete in their respective USDFBC series final class. A third place horse in each championship class must be named as well.

7. Age/sex eligibility is determined as follows:

- a. Fillies, colts and geldings three years of age or under may show ONLY as sport horse prospects, not in breeding stock classes/categories.

In the event that a champion and/or reserve have already qualified for the final, the third-placed horse from the pertinent qualifying class will be eligible to compete in the final. Competition management is required to have judges place qualifying classes to three places, with no ties. In addition, any other horse receiving a 77 percent or better in its age/sex class will be qualified and eligible to compete in the final.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership, Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF NM fee. (Note: USDF business members can own horses but cannot compete as riders with their USDF BM.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux, quadrille, FEI Para-Equestrian classes, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of 125 independent organizations throughout the United States with a membership in excess of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
