About the USDF Region Four Adult and Youth Team Competition

The USDF Region Four Youth and Adult Team Competition is a unique show for JR/Young Riders and Adults, featuring teams for both the JR/Young Riders competition in dressage, educational programs, team medals and a mounted awards ceremony. The United States Dressage Federation (USDF) is sponsoring a Competition in each region so youth and adult riders everywhere can join the fun! There are *no prerequisites or qualifying scores required* to enter the championships.

Team formation: For the Adult Teams, only one professional per team. Teams will be organized as scramble teams. Maximum number of riders per team is four. Team members can be riding at different levels. Team entrees may be organized according to dressage organizations, farms, barns, instructors, Pony Clubs, 4-H Club, any youth riding clubs, or just groups of individuals. Any individual rider needing team members is encouraged to send in his or her entry and a mixed team will be formed. **See, everyone can attend!!**

Competitor's picnic: All competitors are required to be present at the picnic and pre-competition meeting on Thursday at 6pm on the show grounds. Picnic is free to all riders. Others may purchase a ticket for \$5 on entry form. The competition procedures will be reviewed.

Awards

USDF Shining Star pins will be awarded to five competitors. The USDF Shining Star Award recognizes outstanding sportsmanship amongst individual USDF Youth Members.

Team Spirit Award: All riders are encouraged to support their fellow teammates by helping each other braid, tack up, get dusted off, watch each other's rides, and applaud each other's efforts! In addition, keeping tack rooms in order and horses well cared for are all part of the team player's duty. A special award will be awarded to the team who best displays team spirit.

Awards: USDF Team medallions on neck ribbons will be awarded to each team member for first through sixth places in each division. Divisions with more than six teams will be split. Individual High Score Champion and Reserve in each division will be awarded rosettes. In addition, special awards will be awarded by individual sponsors for performance in the show.

Award ceremony: Riders are expected to be dressed in riding clothes and mounted for the awards ceremony held Friday after the final class. Procedures will be reviewed on Thursday evening.

Rules For The Championships:

All riders will be expected to donate some time helping at the show. All riders will be assigned a job lasting between 1-2 hours over the weekend. If only competing on Friday, these riders will be assigned first. Show management will assign the jobs - jobs can be transferred to family members or friends.

All classes are open to riders who are 21 and under competing on either horses or ponies.

Current USEF, FEI, and USDF tests will be used.

On the day of the competition, while on the grounds, including the stabling area, the horse or pony may only be ridden by the JR/young rider that will be competing it.

Tests may be read up through 4th Level.

Training - Fourth Level dress: Please see current USEF rules.

Braiding is optional.

Team Formation and Scoring Rules

Team names: Have fun with this! Here are some examples: The Grand Prix Wanabees, The Mountsters, Stonington Stormtroopers, Barretts Brats, The Temple Terrors, etc.

Teams will be organized as scrambled teams consisting of no fewer than three riders and no more than four riders. Team riders may compete at any level. Single team members are also allowed to ride at different levels. (For example, Susie Cue on Blackie may enter Training Level, Test 4 and First Level, Test 1 and both scores will be used in the calculation of the team score.) The lowest single score of the team will be dropped. The remaining scores will be handicapped according to the scale below, then averaged to obtain a team score. The team scores will be used to place the teams within the divisions.

Divisions will be selected randomly. Divisions will consist of no more than 6 teams.

Drop Score: If a one horse on a team receives a score of “0” (i.e. eliminated due to lameness, jumped out of the ring, or withdrawn) then that score will automatically become the drop score. If a second horse on the same team receives a score of “0,” that score will be handicapped and used in the calculation of the team score. Teams must have at least three and no more than five competitive horses in order to be considered part of the team competition.

If a horse is scratched from the competition prior to the start of the competition day, the team may find a replacement team member (another rider entered in the show who agrees to join the team and is not already on a team) or reduce the number of riders on their team. If that team has either four or five riders, then the team score will be calculated with the remaining three or four riders. If the team originally had only three members and one of those horses scratches, the team may opt to eliminate themselves from the team competition (since they now only have 2 competitive horses) or join other teams. Teams may not be restructured after the start of the competition day. Riders may not compete on two different teams with the same horse.

If a horse is forced to be scratched during the competition day (i.e. rides one test, becomes lame and is unable to compete in the second test of the day) then that horse will receive a “0” for all subsequent tests and one of those tests will automatically become the drop score. If this happens to more than one horse on a team, then the second horse will receive a “0” that will be calculated in to the overall team score.

Horses in the FEI classes may be entered in only one test to be considered part of the team.

Riders are encouraged to enter using teams of at least four riders so that in the event of a scratched horse prior to the start of the competition does not force the remainder of the team to be eliminated. For riders who do not have a team and want to enter this show, you are encouraged to do so and you will be placed on a “manager’s special” team with other riders in your situation.

Riders on eliminated teams may still be eligible for high point awards. High point awards will be awarded for the high score (Champion) and second highest score (Reserve Champion) at the following levels: Introductory, Training, First, Second, Third, Fourth, and FEI (including PSG, I-1, I-2, GP and all JR and Young Rider tests.)

Riders and horses may only be a member of a single team once. Riders may participate on a different horse on a different team, but one rider may not ride more than one horse on a team. Likewise, a horse may participate on with a different rider on a different team, but may not participate with two riders on the same team.

Total percentages from each team member will be added together and averaged. Percentages will be added as a “handicap system” for figuring team placing. Riders will receive the following “additional percentages” added to their test for the calculations of team placing only: Intro/Training - 0%, First - 1 %, Second - 2%, Third - 3%, Fourth - 4%, JR - 4%, Young Rider and FEI - 5%. Equitation/Freestyles does not count in team scores calculations.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of 125 independent organizations throughout the United States with a membership in excess of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

(Note: USDF business members can own horses but cannot compete as riders with their USDF BM.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that "the Federation" and "Competition" as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaultor, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death. ("Harm").

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results resulted, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR801 and if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf. I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List.
