### **GR904 Changes in Prize List**

If the prize list must be changed after it has been distributed to potential exhibitors the following procedures must be followed. Notification of specific changes to a prize list must be made to the Federation and exhibitors via email or mail as well as being posted on a competition's website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.

1. If errors are discovered or changes made up to 10 days prior to the closing of entries, notify potential exhibitors in writing of the specific changes.
2. If errors are discovered or changes made after that date, notify exhibitors on receipt of entries, and in writing when they arrive at the competition of the specific changes as being posted on a competition's website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.
3. If classes are omitted or premiums decreased, notify only affected exhibitors 5 days prior to the competition in writing, by e-mail or by wire, thereafter these classes cannot be reinstated. In this instance, entry fee refunds must be given in all cases. (For Jumper Division, see JP108.2)

BOD 1/14/12 Effective 12/1/12.

EC 2/19/13 Effective Immediately

## ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

**Announcements:** Class announcements and ride time announcements are a courtesy to the exhibitor and not all shows provide the capability of public address announcements. Exhibitors are responsible for presenting themselves to the ring at their designated time and accept the full responsibility for doing so. Competitions offering public announcements will make every effort to maintain a working PA system, but it is stressed that it is still the exhibitors' responsibility to be on time. No protest will be upheld, nor any ride time changed, on the basis of a PA breakdown or missed announcement. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time regardless of PA announcements or ring stewards. No protest will be upheld, nor ride time changed due to failure of the exhibitor to meeting their responsibilities.

# *USDF Statement on Animal Welfare*

The United States Dressage Federation, Inc. (USDF), a federation of over 120 independent organizations throughout the United States with a membership of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**This  
competition  
is recognized  
by USDF  
for 2016**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

## 2016 Great American Insurance Group/USDF Breeders Championship Series

The Great American Insurance Group/USDF Breeders Championship Series (USDFBCS) is a program intent on recognizing quality bloodlines and dressage prospects across the nation. Through a combination of in-hand and material classes, the USDFBC program strives to provide top-notch competition opportunities for prospect and breeding stock horses. The USDFBCS is scheduled on a calendar year basis, which means that the USDFBCS competition year runs from January 1-December 31. A series must have a minimum of three qualifying events in order to host a series final competition, with series boundaries being determined by USDF. Please be advised that the boundaries of any given series may cross the regional boundaries established for dressage competitions. All Dressage Sport Horse Breeding (DSHB) and USDFBCS exhibitors and management staff are responsible for knowing the rules pertaining to USEF-licensed/USDF-recognized dressage competitions holding DSHB classes, as well as USEF-licensed/USDF-recognized competitions in general. The USEF Rule Book Chapter Dressage, Subchapter DR-2, contains the DSHB class rules, and can be found online at [www.usef.org](http://www.usef.org). All recent rule changes in the online USEF Rule Book will be noted in color.

#### **B. REQUIREMENTS FOR USDFBC SERIES QUALIFYING EVENTS (IN-HAND CLASSES)**

1. Classes must be offered and judged according to USEF DR 209.
2. All divisions must offer Sport Horse Prospect In-Hand and Breeding Stock In-Hand classes.
3. A separate championship class must be held for all divisions, even those that have only one class or one horse in the division. For example, if there is only one class of mares, the top two mares from that class would then be shown in the championship class. If there is only one stallion in the one stallion class, that stallion would then show again in the championship class. All horses must be reevaluated by the judge(s) at both the walk and the trot in the championship class. If any one of the judges

adjudicating this class has not previously judged all of the horses in this class, conformation must also be reevaluated on every horse.

4. Each qualifying event must offer a current year filly class, a separate current year colt/gelding class and a current year foal championship class. This current year foal championship class is a USDFBC series qualifying class. This class must be held and judged (i.e. re-evaluated at the walk and the trot, and possibly the conformation) in accordance with USEF DR210.5.

The current year foal championship class, at qualifying events, must be open to first and second place winners of Sport Horse Prospect In-Hand classes for all foals of current calendar year, as listed below. First and second place (and third if desired) fillies and colts/geldings of current year will compete against each other in the same class. The champion and reserve champion filly and the champion and reserve champion colt/gelding at each qualifier event are eligible to compete in their respective USDFBC series final class. A third place horse in each championship class must be named as well.

Current Year Foals ARE NOT ALLOWED in Filly Championship and Colt/Gelding Championship classes.

6. Each qualifying event must offer a Mare Championship class and a Stallion Championship class. These championship classes are USDFBC series qualifying classes. These classes must be held and judged (i.e. re-evaluated at the walk and the trot, and possibly the conformation) in accordance with USEF DR210.

Mare and Stallion Championship classes must be open to first and second placed winners of Breeding Stock In-Hand classes for horses age four years old and over, as listed below. (Organizers have the option of including third placed horses in qualifier championship classes): No scores are given. Ties are not allowed.

#### **Mare Championship:**

- Four-year-old and older maiden mares – never bred
- Four-year-old and older yeld mares – previously bred but not currently bred or nursing
- Four-year-old and older broodmares – in foal or currently nursing (mare only to be judged).

For details on determining breeding status for competition purposes, please refer to USEF, DR203.

**Stallion Championship:**

Stallion classes may be divided by age, competition and/or breeding status, as in the following example:

- Four-year-old and older stallions showing only in-hand
- Four-year-old and older stallions showing also under saddle

The champion and reserve champion mare and the champion and reserve champion stallion at each qualifier event are eligible to compete in their respective USDFBC series final class. A third place horse in each championship class must be named as well.

7. Age/sex eligibility is determined as follows:
  - a. Fillies, colts, and geldings three years of age or under may show ONLY as sport horse prospects, not in breeding stock classes/categories.
  - b. Mares and stallions age four and over, may show ONLY in breeding stock classes/categories. Note: Two and three-year-olds are ONLY eligible to compete in the filly or colt championships. They are NOT eligible for the mare or stallion championships.
  - c. Geldings of any age may NOT show in breeding stock classes/categories. Geldings age three and under may show ONLY in sport horse prospect classes.
8. Scoresheets: Age group classes must be judged using the appropriate scoring categories and percentages. Sport horses three years old and under MUST be evaluated on the current USDF Dressage Sport Horse Prospect In-Hand scoresheets and breeding stock MUST be evaluated on the current USDF Dressage Sport Horse Breeding Stock scoresheets.
9. Horses in all USDFBC Series qualifying classes must be evaluated for movement according to USEF DR210.4 – DR210.8. Each horse competing at a USDFBC series qualifying show will have only ONE opportunity to qualify for the championship class appropriate to their age/sex category.
10. During the same or separate awards ceremonies, the current year foal champion and reserve, the filly champion and reserve, the colt/gelding champion and reserve, the mare champion and reserve, and the stallion champion and reserve, must be named USDFBC series qualifying champions and reserve champions for the show. A third place horse in each championship class must be named as well. NO ties allowed. Announcements must identify sponsors and horses' breeding information.
11. Each qualified champion and reserve champion (up to ten), must be presented with a qualifier ribbon. These ribbons will be supplied to the show by USDF. Only the champion and reserve champion will receive the qualifier ribbons, even if they have previously qualified. The third place horse in the qualifier championship class will not receive a qualifier ribbon. The qualifier ribbons for champion and reserve champion are identical.
12. All champions and reserve champions will be eligible to compete in the breeders series finals. In the event that a champion and/or reserve has already qualified for the final, the third-placed horse from the pertinent qualifying championship class will be eligible to compete in the final. Competition management is required to have judges place qualifying championship classes to three places, with no ties. In addition, any other horse receiving a

77.00 percent or better in its age/sex class will be qualified and eligible to compete in the breeders series final.

13. A list of qualified horses is maintained, by series, on the USDF website.
14. Horses must qualify in the same series in which they enter the final. Exception: Horses that have qualified for a series final which is either not scheduled or is cancelled may participate in the final of any other USDFBC series in the same calendar year, without having to re-qualify for that series final. Owners of horses that have qualified for a final that is not held must indicate which breeders series their horse qualified in on their entry form for the alternative final.
15. Horses may compete in qualifying events in any series, but if qualified for more than one series final, they may participate in only one final class.
16. If there is a change of ownership of the horse, the new owner(s) may choose to participate in the series final where they reside, regardless of where the horse qualified, provided that the new owner contacts the USDF office and initiates the transfer of ownership at least 30 days prior to the new series final date.

The highest scoring horses will be declared champions and the second highest will be declared reserve champions.
2. Ties in USDFBC Finals classes must remain unbroken.
3. There are five championship classes in the USDFBC series finals. 8. Horses in the current year foal final class, filly final class and the colt/gelding final class MUST be evaluated using the USDF Dressage Sport Horse Prospect **In-Hand** scoresheets. Horses in the mare final class and the stallion final class MUST be evaluated using the USDF Dressage Sport Horse Breeding Stock scoresheets.
9. Management must collect USDF Lifetime Horse Registration and/or Participating or Business Memberships applications and fees prior to commencement of the series final classes for eligible entries that wish to participate in the series final classes. These applications and fees must be submitted to the USDF office within 24 hours of the series final classes.
10. Series final events must agree to allow late entries in the series final classes for horses that qualified for the series final event after the official closing date.

5. It is strongly recommended that horses not registered with a breed registry be listed as “unregistered”.
6. It is the responsibility of the horse owner to ensure that the owner’s and rider’s USDF membership and USDF horse registration are correct and current.

## B. REQUIREMENTS FOR MATERIALE CHAMPIONSHIP QUALIFICATION

1. A horse may qualify for competition in a USDF Breeders Series Final Materiale Championship class by receiving **one** score of 72.0% or higher in a materiale class held at any USEF-licensed/USDF-recognized DSHB or Dressage competition during the relative competition year.
2. Scores must be earned at competitions licensed by USEF as dressage competitions. Scores earned at competitions licensed by USEF as Regular or Local competitions are not eligible to be used as qualifying scores for the USDFBC series finals materiale championships.
3. The materiale championships will run on the same calendar year as the USDFBC series (January 1-December 31). **Qualifications to compete in a class must be earned in the calendar year that the championship will occur.** Any qualifications earned in other calendar years will not apply.
4. Qualifying scores must be earned in materiale classes run under USEF rule DR134 and DR 204.1. Fillies and/or mares may not be combined in classes with colts, geldings and/or stallions (exception: championship materiale classes – see USEF rule DR 204.2.d).
5. At each USDFBC series final, two age-group materiale championship classes will be held. All qualified horses regardless of sex will compete against one another in their respective age groups. This means that all qualified three-year-olds will compete in one class to determine the USDFBC series materiale champion three-year-old, and all four-and-five-year-olds will compete in a separate class to determine the USDFBC series materiale champion four/five-year-old.
6. Horses will be evaluated according to the criteria listed on the current “USDF Materiale Class” scoresheet, and classes must be conducted according to the current USDF “Procedures to Host USDF Materiale Classes”.
7. Qualifying scores to compete in a class may be earned up until the championship class occurs.
8. Once a horse has qualified to compete in a USDFBC Series Final Materiale Championship class, the horse is eligible to compete at the USDFBC series final of the owner’s choice. This means that the horse does **not** have to attend the series final being held within the same geographical area or series that the qualifying score was earned in. However, a horse may only compete in one USDFBC Series Final Materiale Championship class in a given calendar year.
9. A list of qualified horses is maintained on the USDF website.
10. A horse may qualify with a different rider than the rider that competes the horse in the class.
11. Any materiale score earned at any USEF-licensed/USDF-recognized dressage competition with materiale classes scheduled prior to the USDFBC series final material championship class entered in the same calendar year are eligible for qualification to participate in that USDFBC series final.
12. Dressage competitions with materiale classes scheduled after the USDFBC series finals are held, are not eligible to participate in the USDFBC program, and will not be qualifying events for the next year’s series final.

## C. Conduct of Materiale Championship Classes at the Breeders Series Final

## MATERIALE CHAMPIONSHIPS

Materiale Championships will be held at each Great American Insurance Group/USDF Breeders Series Final competition. Each USDFBC series final will hold a Three-Year-Old Materiale Series Final Championship class and a Four/Five-Year-Old Materiale Breeders Series Final Championship class. Fillies, colts, mares, stallions, and/or geldings, will compete in the same championship classes of their respective age groups. A Grand Champion and Reserve Grand Champion will be named for both the three-year-old championship class and the four/five-year-old championship class at each series final event. These specific age categories of three-year-olds and four/five year-olds are the only eligible categories to be offered as USDF Breeders Series Final Materiale Championship classes.

## A. HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS FOR ELIGIBILITY (FOR MATERIALE CLASSES)

1. All horses entered in any materiale class held at a USEF/USDF recognized Dressage Sport Horse Breeding (DSHB) or dressage competition must have either a USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID), and submit identification information. Horses registered with a breed organization must have a copy of their registration papers submitted directly to USDF. Any horse participating in the Breeders Series Final Materiale Championship classes must have a LHR with USDF. The HID fee will apply toward the LHR fee.
2. Owner is not required to be a USDF member for a horse to compete in materiale classes or earn USDF Breeders Series materiale championship qualification scores at USEF/USDF recognized DSHB or dressage competitions. If the owner is not a USDF Group, Participating or Business member, non-member fees will apply. However, the owner must have a current USDF Participating Membership (PM), or Business Membership (BM), for the owner’s horse to compete in a USDF Breeders Series Final Materiale Championship class.
3. **Rider is required to have a current USDF PM at the time a horse’s qualifying score is earned and at the time of the USDF Breeders Series Final Materiale Championship class.**
4. Horses participating in USDFBC qualifying or final events are not required to be registered with any studbook, but, “if a horse is registered with any breed organization, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank” (GR907.2).

1. At least two USEF DSHB judges must officiate in each USDFBC Series Final Materiale Championship class. One of the two required judges must be a USEF 'R' DSHB judge. The other judge may be a USEF "r" DSHB judge or may have an appropriate guest card. Each judge will evaluate each entry independently, and scribes must be provided for each judge. Winners will be determined by the average of all judges' scores. The highest scoring horse will be declared grand champion, and the second highest will be declared reserve grand champion for their respective age-group classes. Scores must be awarded to all competitors competing in materiale classes, as well as USDFBC series finals Materiale Championship classes.
  - a. Ties in USDFBC series finals Materiale Championship classes must remain unbroken.
  - b. A Grand Champion and Reserve Grand Champion will be named for both the three-year-old and four/five-year-old USDFBC Series Final Materiale Championship classes at each USDFBC series final. Grand Champion and Reserve Grand Champions will receive awards and prizes provided by USDF. Third through sixth placed horses in these materiale championship classes will receive ribbons provided by USDF.
  - c. After the final event, special certificates will be available from USDF via the website to owners of all horses that competed in USDFBC Series Final Materiale Championship classes.
  - d. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of the championship if an error or violation is discovered, after which no changes will be made.
  - e. Owner must enter the qualified horse in the horse's appropriate USDFBC Series Final Materiale Championship class prior to commencement of the class. The horse is NOT automatically entered in the class because the horse qualified earlier in the day or at another show. All appropriate memberships and horse recordings must also be correct prior to commencement of the class.
  - f. Management must collect all USDF Lifetime Horse Registration and/or Participating or Business Membership applications and fees for eligible entries that wish to participate in a USDFBC Series Final Materiale Championship class prior to commencement of the class. The applications and fees then must be submitted to the USDF office within 24 hours of the USDFBC Series Final Materiale Championship classes.
  - g. USDFBC series final events must agree to allow late entries in the USDFBC Series Final Materiale Championship classes for horses that qualified for the championship after the official closing date.
  - h. Series final events must hold materiale classes allowing for qualification opportunities prior to holding the USDFBC Series Final Materiale Championship classes.

## AWARD CEREMONIES

### A. Requirements

1. For all finals, a USDF sponsor banner must be prominently displayed. If the banner is misplaced or damaged, the event will be responsible for the cost of repair or replacement. Banners must be returned to USDF within 30 days of the competition.
2. In addition to the general requirements above, the awards presentation ceremonies and award presenters at each series final event must be arranged in cooperation with USDF. USDF will contact sponsors to determine if they or a representative plan to attend the award ceremonies. USDF will forward this information to the appropriate management team.
3. All USDFBC sponsors (or their representatives) should be invited to participate in the final event award ceremonies. Award ceremony announcements must identify the sponsoring organizations. Any sponsors in attendance at these events

- should be provided with a complimentary copy of the competition program and be given free admission to the event.
4. Management must send two champion photos of in-hand competitors, as well as two champion photos of materiale competitors, electronically to USDF for publication with the final results. Persons and horses in the photos must be identified. A photographer's release must also be submitted.
5. Public announcements must be made, which credit the title sponsor and promote the program to the public. These announcements are required to be made throughout the event, in particular, during the awarding of Current Year Foal, Filly, Colt/Gelding, Mare and Stallion Championships and Three Year Old Materiale and Four/Five Year Old Materiale Championships. The name of the breeder(s) must be announced during award ceremonies. It is also strongly recommended that breeder(s) and owners of placing horses be invited to participate in award ceremonies.
6. All unused ribbons and prizes must be returned to USDF within 30 days of the competition. If awards are misplaced or damaged, the event will be responsible for the cost of replacement. For series qualifiers, USDF will provide ten qualifier ribbons (two per division). For series finals, USDF will provide neck sashes and plaques for Grand Champion and Reserve Grand Champion and ribbons for third through sixth place, as well as a cooler for the Grand Champions. Ribbons and prizes will be sent directly to the designated competition contact about two weeks prior to the event.
7. Show management is responsible to have a professional photographer for the USDFBC Finals.

## COMPETITION MANAGEMENT

### A. Applying for and Scheduling Qualifier and Final Events

1. The USDFBC series is scheduled on a calendar year basis (January 1-December 31).
2. A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the series final, are qualifying events.
3. The final event of each series is often the last USEF-licensed/USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States. However, a series final must also be held in conjunction with a USDFBC qualifying event. Host sites of series finals will be designated on or about November 1 of the year prior to the series final year.
4. The official USDFBC host site application form for qualifiers and series finals will be available from the USDF office during the summer, prior to the start of the next competition year. USEF-licensed/USDF-recognized dressage competitions interested in hosting a final for a series must submit a completed USDFBC event application form and contract to the USDF office by October 1 of the year prior to the series final to request consideration for hosting the series final.
5. The series final must meet the minimum requirements for a series final: 1) minimum USEF Level 2 competition 2) Show manager and secretary must both be members of USEF and USDF (USDF Participating or Group Membership is required) at the time of championships. 3) all other requirements as stated in the USDFBC Finals Host Site Application.
6. It is recommended that a series final be held in conjunction with a USEF-licensed/USDF-recognized competition unless it has a proven stand-alone history.

7. All applications for a series final will be considered on a case-by-case basis.
8. A series final will be considered "definite" when at least three qualifying events have registered with USDF to participate in the series for the year. If it meets the minimum requirements, a series final will be considered "tentative" until at least three events have registered for the series.
9. If two or more qualified events in the same series wish to host the series final, a working group appointed by the Sport Horse Committee, will select the host site of the series final, after consultation with the chair of the USDF Sport Horse Committee, the regional director(s) of the region(s) with qualifying events in the series and the USDF Sport Horse Committee liaison. Priority for the final will be given to 1) the date of event, which must be after all qualifying events are normally scheduled, and ideally, between August 1 and October 1 of the series final year, 2) the most prestigious DSHB show, or USDF Regional Dressage Championship in the geographical area, 3) location and accessibility to competitors, 4) experience of the competition management with DSHB competitions and 5) history of rule compliance with USEF and USDF.
10. All USEF-licensed/USDF-recognized dressage competitions with DSHB classes scheduled prior to the series final in the same calendar year and geographical area are eligible to participate in their USDFBC series. Dressage competitions with DSHB classes scheduled after the series final in their area are not eligible to participate in the USDFBC program, and will not be qualifying events for the next year's series final.
11. Only one USDFBC series, or part of a series, may be held in any particular geographical area in the same calendar year. The boundaries of a series will be determined by USDF in consultation with regional directors and the chair of the USDF Sport Horse Committee. Series will include clusters of DSHB shows, and may cross the regional boundaries established for dressage competitions.
12. If a USDFBC series does not have at least three qualifying events recognized by USDF by June 1 of the series final year, the final will not be held.

## B. ADVERTISING AND PROMOTION

1. In order to receive full promotional benefits from USDF, qualifying and final events must be approved at least six months prior to the competition.
2. Qualifiers and final events must be approved by USDF in writing each year before they advertise that they are participating as qualifying or final events in the USDFBC program.
3. "Great American Insurance Group/USDFBC" or "Great American Insurance Group/USDF Breeders Championship Series" must be used in its entirety if included as the title of an event, or if referred to anywhere within the prize list or program. (In other words, you cannot title a competition the "XYZ Breeders Competition").
4. The title "Great American Insurance Group/USDF Breeders Championship \_\_\_\_\_ Series Final" must be prominently listed in the final event official prize list, show program, promotional materials, and advertisements once the competition has received written approval of its status as a designated USDFBC Series Final competition.
5. Unless a competition has received written confirmation from USDF of the Federation's approval to host a USDFBC series final competition, the competition cannot utilize any competition name or title that would include a USDFBC series final

designation. Any failure on the part of the competition management to follow this protocol will result in a \$100 fine.

## C. PRIZES

1. Prizes will be awarded during the finals competition award ceremonies.
2. Prizes and/or other awards may be withheld by USDF to series winners if the following information is not provided to USDF or show management by required deadlines: name of owner; name, age and sex of horse; and if known, the breed of horse, sire, dam, damsire, and breeder.
3. Prizes and/or other awards may be withheld by USDF if it is found that a series award winner or owner was not in compliance with USDF series final membership and horse registration requirements.

## D. RULES REGARDING CONTRACTS AND RECOGNITION

1. Qualifying and final events must be USEF-licensed/USDF-recognized dressage competitions and all classes must be conducted under USEF rules.
2. USDFBC event application, contract and rules for the upcoming competition year will be available to show managers during the summer of the year prior to each USDFBC competition year.
3. Rule changes and requirements will be fully approved and publicized by July 1 of the year prior to each USDFBC competition year.
4. Changes of rules, requirements, or contract obligations for competition management (and/or competitors, if applicable) are not permitted after August 1 of the year prior to the start of the USDFBC competition year, except when changed by the USEF and/or USDF Executive Board.
5. USDFBC rules and procedures must be listed in the official prize list for the event, and must be available sufficiently in advance to all potential competitors, or the event may be in violation of USEF rules.
6. For qualifying events whose dates fall after the closing date for their series final event, the results must be emailed to USDF at [results@usdf.org](mailto:results@usdf.org) within 24 hours of completion of the qualifying event. USDF will verify those horses who have qualified with the series final event secretary.

## E. CONDUCT AND COMPETITION STANDARDS FOR QUALIFYING AND FINAL EVENTS

Series Final events must meet the minimum requirements for a series final:

1. A minimum Level 2 competition.
2. Show manager and secretary must both be members of USEF and USDF (USDF Participating or Group Membership is required) at the time of championships. All other requirements are as stated in the USDFBC Finals Host Site Application.
3. DSHB competitions are not permitted to exclude horses from competing in an event that have previously qualified for a USDFBC series final. Such exclusion is not permitted by USEF rules, and penalties could result.
4. Neither foals nor horses of any other age may be shown loose.
5. Note the following clarification on "stallion": No geldings may compete in the USDFBC classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.
