US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Placing in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Placing in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible placing in a Regional Championship class.

Note: Since Freestyle classes at Regional Championships are not split by division, the top two Open horse/rider combinations and the top two Adult Amateur horse/rider combinations for each level from each of the nine Regional Championships will be automatically invited. In addition, to be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form, and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Declaration Requirement:** The horse/rider combination must declare their intention to participate **by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes)**. There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.
- 3) **Placing in a Regional Championship Class:** Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's placing in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as their Declaration of Intent has been **received** by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest placing in the class will be invited, providing they:

1. Achieved the pre-requisite score of 57% or higher.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Are a US citizen.

If that combination declines the invitation, the same process will be followed down through the fifth placing horse/rider combination *that has declared* for that Finals level and division.

No invitations will be issued beyond the fifth placing declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship placing (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the **same** level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

	<u>OPEN:</u>	<u>AA:</u>
Training:	72%	68%
First:	72%	68%
Second:	68%	65%
Third:	68%	65%

Intermediate I:	66%	64%
Intermediate II:	66%	64%
Grand Prix:	66%	64%
All Freestyles	66%	66%

III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the first and second placed declared combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to 3rd-5th of those horse/rider combinations who have declared, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is **required** for participation in US Dressage Finals classes, **whether qualifying through placing in a Regional Championship class or by Wild Card Eligibility**. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals **must be received** by the closing date, October 26, 2017, midnight Eastern Time. **Stabling in heated Alltech barns will be allotted by region based on the number of entries received from each region at Closing Date. Assignments for each region's allotment will be based on the date completed entries are received from those requesting Alltech stabling, and completed entries must be received within five days, and no later than five days, after their nomination deadline in order to maintain priority.**

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all

persons living outside of the United States must declare a region by the deadline of July 1 of the current competition year.

4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF membership/registration affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. USDF Dressage Seat Medal Semi-Finals: All junior riders through age 18 who have qualified at any level for the Regional Championships (excluding freestyle) are automatically eligible to compete in the Semi-Final classes of the USEF/ USDF Dressage Seat Medal Program. Additionally, any rider that earns a score of 70% or higher, from an eligible Dressage Seat Equitation class, during the DSM qualifying period from August 1, 2016 through July 30, 2017 will be qualified to participate in the USDF Dressage Seat Medal Semi-Finals. One Semi-Final class will be offered for juniors, ages 13 and under, and a second Semi-Final class for riders 14 through 18 at each Great American/USDF Regional Championship. A regional champion and reserve champion for each age group will be named in each USDF region. For more details on this program and the Semi-Finals, see the USEF Rule Book, DR133 or visit the dressage page of the USEF website.
7. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in usef gr1102.3, and transfers of ownership or lease registrations must be completed in compliance with usef rules gr1105 and gr1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (usef DR127.2)

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics.
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current

- USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
 6. Photocopies of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.).
 7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
 8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
 9. The gate at "A" must be closed for every USEF/USDF championship ride. (USEF DR126.1.f.5)
 10. Under penalty of disqualification from all championship classes for the horse/rider combination, at no time during, or 24 hours prior, to a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
 11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
 12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
 13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
 14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.6)
 15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See Section H.3. c, and USEF GR1018.3 and DR127.3)
 16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
 17. USEF/USDF championships classes may not be split. (USEF DR126.1a.4)
 18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
 19. Except for freestyles, the FEI Junior Team test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Region 2 Dressage Championships

Licensed by the United States Equestrian Federation, Inc.

Hosted by Majestic Farm

Dear Sponsor,

Welcome to Majestic Farm! 2017 is going to be big! This year's show season includes now over 24 weeks of dressage events of National Competitions, as well as schooling shows, educational events and clinics.

This year we will have regular monthly clinics with David Blake, host an Off The Track Thoroughbred show and host the Great American Insurance Group/ USDF Region 2 Dressage Championship licensed by USEF, Inc.

WHY DRESSAGE?

Dressage is the largest FEI (Federation Equestre Internationale) discipline within the sport-horse category in the United States. Featured as an Olympic sport since 1912, dressage focuses on the unity between horse and rider, with horses competing at top levels well into their late teen years. Opportunities exist for every level of competition for juniors/young riders, adult amateurs and professional riders and trainers.

WHY SPONSORSHIP?

According to EQUESTRIAN magazine, the official publication of the United States Equestrian Federation, (USEF), members are well-educated, successful and financially secure. Nearly half have annual incomes greater than \$100,000 and have traded stocks, bonds or mutual funds in the last year. A majority is between 34-54 years of age, and spends \$1.4 billion annually on horse related products. On the average, they spend 30 nights per year in a hotel, rent a vehicle four times per year, own three vehicles and most own a pet besides a horse.

We offer corporate sponsors and patrons many opportunities for presenting their products and services to the spectators, competitors, owners and trainers throughout the show series. Let us bring your products and services to our target market of affluent equestrians and join us in our upcoming spring/ summer season. We offer many levels of participation from Title Sponsor for one of our premier events, to Season Sponsors, to Official Show Program Advertising and Vendor Space.

We thank you for your time and consideration, and look forward to creating a mutually beneficial partnership during our 2017 show season.

Best Regards,

Majestic Farm

WINNING

doesn't happen by **A C C I D E N T .**

A rub. It's all that separates a flawless round from "better luck next time." But you're not depending on luck. You're depending on countless hours in and out of the saddle. And you didn't come here for just a ribbon. You came for the championship ribbon. So ask yourself, does your horse have the stomach to win?

Time for a gut check. TheStomachToWin.com

THIS IS My HORSE™

He probably took twice as long as other horses to accomplish each level of training, but it's not just about the sport for me. It's about the journey. I was a little girl when I got Diddy, and he was a baby. We've grown up together. I'll probably never feel this way about another horse. We're so connected. I ride a lot of other horses, and I can't help but compare how they ride to riding Diddy. He's just amazing!
