Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies. Failure, without prior permission of the competition manager to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. For safety reasons competitors may decline to participate in the victory round. Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.
